

## How to Determine the Online Delivery Format of Your Class

How to access your online course is determined by the delivery format. To determine which format your course will be using, check the "Meeting Information" listed in Owl Link.

To find your course in Owl Link:

Step 1: Go to Owl Link (<http://owllink.pgcc.edu>)

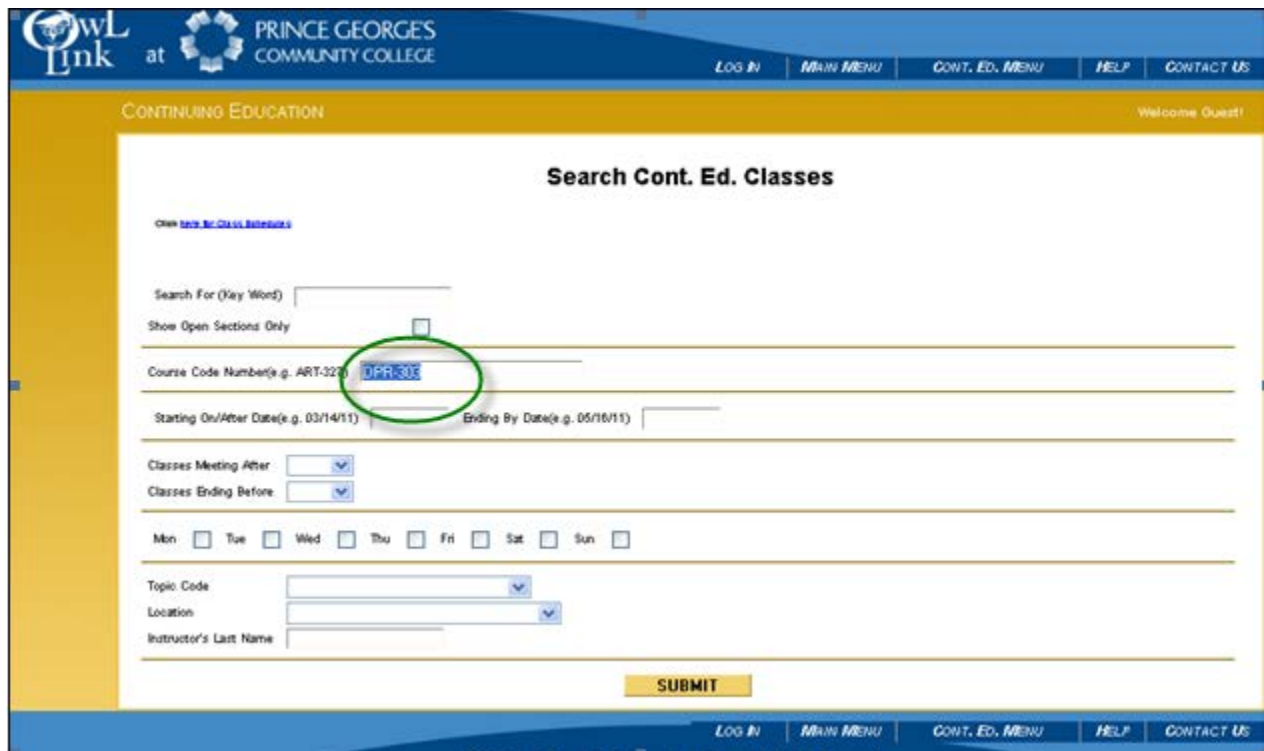

Step 2: Click on "Workforce Development and Cont. Ed. Students" (noncredit)

The screenshot shows the Owl Link website interface. At the top, there is a blue header with the Owl Link logo and "PRINCE GEORGE'S COMMUNITY COLLEGE". Navigation links for "LOG IN", "MAIN MENU", and "CONTACT US" are visible. The main content area includes a "Welcome Guest!" message, system availability information, and a "main menu" section with options: "Guest Access", "Workforce Development & Cont. Ed. Students", "Credit Students", "Faculty & Staff", and "Alumni & Friends". A "Login to Blackboard" button is also present. The footer contains copyright information for 2012 Prince George's Community College.

Step 3: Search for your course

Step 4: Type the class ID# or 5-digit Syn# in the Course Code Number box.

Step 5: See the "Meeting Information" for format type.
